Summary: Takes place right after the end of season 1. Having a son with Zane Bennett, not my best idea

Having a Son

Chapter 1: Seeing him again:

My name is Rikki Chadwick and I have a 2 year old son named Andrew Bennett. And yes his father happens to be Zane Bennett. I haven't seen him since I gave birth to our son right after he thought I lost my mermaid powers. Well I didn't and I didn't tell him either because I knew how he would react if I did.

"Momma, do I see daddy today?" came from my 2 yr. olds mouth.

"Yes, sweetheart!" I say

"Why don't you even take me to daddy?" he asked

"Because we don't get along." I say back him

Emma

Hey Em

I can't pick up Andrew and bring him to Zane's

Why?

Because Ash is taking me to dinner, I'm really sorry

Its okay, I'll do it.

****Seriously, you haven't seen him in 2 years are you sure?****

_I don't have a choice _

****Okay, love ya!****

**End of call**

"Ready Andrew, let's go to daddy's" I say

"You gonna take me to see daddy!" he says

"Yup, let's go." I say

"Yeah!" he screams

While I was driving; we were singing Andrew's favorite song. I drove up to Zane's business and I stop and get out and pick up Andrew as we walk into the lobby.

"Can I help you?" the receptionists

"Yeah which way to Zane Bennett's office?" I say nicely

"Floor 26, and it is the big office at the end of the hall, just tell the secretary you're here to give Zane Andrew." She said

"You know Andrew?" I asked kind of scared

"Yeah, that Zane's son that he talks about so much, and you must be Rikki, right?" she said

"Yeah that me, stupid enough to have an adorable child with Zane." I say quietly making sure Andrew didn't hear anything.

"Thank you." I say sweetly

The elevator ride felt like forever because of course Zane had to be at the top of the building. We got off the elevator and there was no secretary. Of course, why can't that man keep it in his pants? We walk to the end of the hall.

"Andrew, can you go sit on the couch over there?" I ask

"Of course mommy, you gonna talk to daddy?" he asks

"Oh yeah gonna give him a piece of my mind." I say stomping over to the door.

As I walk I try to calm down but I don't work. I loudly knock on the door and I hear moans and a woman scream. He is so gross.

"ZANE!" I yell

"Hold on a minute I'm busy." He moans

"ZANE BENETT GET YOUR ASS OUT HERE RIGHT NOW!" I scream

"I'm busy, give me a minute." He screams back

"I'm taking your son home, if you don't get out here right now." I say

"My son, Oh shit Andrew. He says

And I hear rushing and jumping. And 2 minutes later there stands Zane's shirt pulled out of his pants and his hair ruffed.

"Zane, seriously" I asked

"Rikki, I am so" he starts

"Don't, I'm taking Andrew home, and as soon as you're done, come talk to me about possible seeing your son. He is the most important person in my life and he should be yours too. I won't let you hurt him, he is 2 years old. Zane you're a father above everything, remember that." I say turning around and walking back to Andrew and picking him up.

"Bye Zane" I say

End
file.
